Language and Culture workshop

(15 min) Counting together from 1 to 10 in slovenian language

We write numbers on the board and we learn how to count to 10 in slovenian language.

Then we all count out loud. Each person can spontaneously tell the next number. If two people tell the same number at the same time, we start from the beginning. If we make any mistakes, we start from the beginning.

We repeat the whole exercise a few times.

(30 min) Hot chair :

We put two chairs „on stage“. The first one is „the hot chair“.

The one sitting on it is the one answering a question.

He or she can either answer and step off or say;“ I don't answer,“ and step off.

The person asking question moves to the hot chair. The next chair is taken by another person asking question.

We can do it in a circle or in random order. The whole activity is going on in English language. Moderators (and team leaders) are helping with possible needed translations.

Theme frame: Winter, Christmas, New year's celebration, Gifts, New Year's shopping HAPPY DECEMBER

(15min) Singing a Christmas song :

We write the whole lyrics of a Christmas song on a board (in slovenian language) and we explain (translate) its meaning.

Then we repeat after moderator's guidance, verse by verse, so we learn the right pronunciation.

At the end we sing together.

Football tournament for EPAEMSI friends

Invite your adult learners, trainers, other staff and your partner organizations, to do some sport activities together.

Maybe football is not suitable for all of you, and you will decide to play some other sport or do any other activities.

Inform people on time, tell them what to bring with them (sport shoes, some equipment...) and spend a fun sport afternoon (or just an hour or two) together.
