How would you improve this mobility activity?

9. Provide better information before the mobility activity.

If yes, please specify what information.

- I would set the objects of the activities before (before the mobility)

10. Improve/use different methodologies.

If yes, please specify what information.

- Collect and upload all the presentations before the meeting instead of doing in on place. I think we all would be able to prepare them earlier and send them to the host organisation.

11. Make the activities more stimulating.

If yes, please specify what information.

-

12. Improve the organisation/timetable of the mobility activity.

If yes, please specify what information.

- For the inter cultural evening I would have preferred to have the presentation of the countries and then soon after the inter cultural evening will start rather than having a break in between

13. What other improvements would you recommend for the next mobility activity?

- Try to get all the participants to stay in one accomodation
- A LITTLE MORE FREE TIME

14. What was least valuable about this mobility activity?

- everything was valuable
- nothing

15. What was most valuable about this mobility activity?

- Meet people from different cultures who are passionate in working for other people, exchange experiences, different points of view, see what other people do.
- The photo reportage The majority of the participants were staying in the same hotel
- having time to talk to the other mobilities and see the country

16. This mobility activity was a positive experience for myself. (1=Lowest mark; 5=Highest mark).

- Malta UNESCO Youth Association: 4
- Fundatia Centrul de Resurse Pentru Diversitate Etnocultural: 5
- Stowarzyszenie WIOSNA: 5
- Association of Nigerians in Slovenia: 5
- Cantiere Giovani: 5
- Engage Youth Empowerment Services: 5

Conclusions by project partners:

The average satisfaction level was very high. From the above comments and after the skype conference between partners, it was decided that no modifications will be applied to the next mobility activity. In particular, as previously decided by the partners, due to the tight schedule of activities, it is not possible to give participants more free time.
